BY OR FORMED FROM INJECTION-MOLDED MATERIAL

THIRD INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby voluntarily disclose the items listed on the attached Form PTO/SB/08A to the Commissioner for Patents. Pursuant to the Waiver in the OG Notice dated August 5, 2003, no copies of any U.S. patents or publications are enclosed. Copies of foreign patent documents 1-13 are enclosed.

Copies of the references listed on the attached Form PTO/SB/08A are being submitted at this seemingly late date because they were only recently brought to our attention as a result of foreign prosecution; a certification, as specified in paragraph (e) of 37 CFR 1.97, is enclosed herewith.

The references listed on the attached form PTO/SB/08A are being submitted because they were cited in an Office Action from the Japanese Patent Office in the corresponding Japanese patent application. A copy of the English language translation of the Office Action is enclosed.

English language abstracts are being provided for cite Nos. 2, 3, 5, 6, 8-10 and 13. Partial English language translations have also been provided for cite Nos. 4 and 13. Applicants believe that adequate understanding of the non-English language references included herein can be obtained upon review of the drawing figures, the English language abstracts, the partial English

language translations, and the English language translation of the Office Action from the Japanese Patent Office.

If the Examiner believes that it might be beneficial for the Applicants to provide additional information about one or more of the non-English language references, then the Examiner is encouraged to notify the undersigned. The Applicants will endeavor to provide any requested additional information to the Examiner.

Applicants further reserve the right to establish the patentability of the claimed invention over any of the listed information should they be applied as references, and/or to prove that some of the cited information may not be prior art, and/or to prove that some of the cited information may not be enabling for the teachings they purport to offer. This statement further should not be construed as the representation that an exhaustive search has been made, or that the information cited herewith is material, or that there does not exist information more material to the examination of the present Application. The Examiner is specifically requested not to rely solely on the information submitted herein. On the contrary, the Examiner is requested to conduct an independent and thorough review of the information, and to form independent opinions as to their significance.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO/SB/08A and to indicate in the official file wrapper of the above-identified patent application that each item of the cited information has been considered.

Although no fees are believe due, the Commissioner is authorized to charge additional fees that are required, or credit any overpayment, to Deposit Account No. 09-0528.

Respectfully submitted,

10/25/06

37 CFR 1.97(e) CERTIFICATION

Commissioner for Patents
P.O. Box 1450
Arlington, VA 22313-1450

Sir:

This certification is being submitted, in accordance with 37 CFR 1.97, with the Information Disclosure Statement enclosed herewith. Each reference cited by the Information Disclosure Statement was cited in a communication from a foreign patent office regarding a related foreign application. The communication from the foreign patent office was not received more than three months prior to the submittal of this certification.
